

Monitoring and evaluation: supporting groups

Includes free copy of *Performance Improvement: a handbook for mentors*

Monitoring what groups are doing and evaluating how well they are doing it can help them achieve their outcomes and demonstrate the value of their work.

Benefits to you

- Improve your knowledge of outputs, outcomes and indicators to set up monitoring frameworks.
- Increase your confidence in offering advice and support to groups.

*“Great course!
Trainer was brilliant!”*

Course participant, Leeds

“This course was very informative and has definitely built up my skills to be able to support the groups I work with!”

Course participant, Birmingham

**Prices start
from just £45!**

Your groups will

- track their progress towards outcomes
- measure the difference they make for their users
- communicate their achievements to funders and others.
