Outcome and Outcome Indicator Banks

Have your groups started a new project? Are they new to outcomes?

Many organisations feel they share common ground when it comes to the outcomes they want to achieve. If your groups are struggling to identify and measure the outcomes of their work then this new resource of tried and tested 'outcome and outcome indicator banks' might be just what they need. This research pulls together information about a 15 'banks', all either free or low cost.

Last chance to buy!

NPP is closing in two months - that means you've only got until the end of March to take advantage of our subsidised training rates. We've still got places on our upcoming courses, but they're going fast! [Visit our web area](#) to see when we're in your area.

As a special thank you for all your support over the last three years, we're also offering a FREE copy of our popular 'Practical Monitoring and Evaluation' guide (worth £34.95) when you attend one of our training sessions.

How are we doing?

We've been looking at our work in the National Performance Programme and have just published our interim evaluation. Read all about our achievements over the last three years, the key learnings from the programme, and see our recommendations for continuing support for infrastructure organisations.
