Plan for the future

It can be difficult to help groups realise the benefits of long and short term plans. If organisations don't know where they're going to be in the next year, why plan for the next five?

Our brand new group on [NAVCA's](#) social networking site [navcaboodle](#) is a space for support providers to discuss their experiences of helping groups develop a strategic plan. Post your thoughts and advice, ask one of our resident experts a question or share resources. [Join the discussion now!](#)

Why not attend our training session Strategic planning: supporting groups on the 26/27th January! [Click here](#) for more details.

Don't delay!

The deadline for applications to the CES Learning and Innovation Prize is fast approaching - applications must be submitted by **5pm Monday 17th January**
