

Strategic planning: supporting groups

Includes free copy of *Performance Improvement: a handbook for mentors*

Strategic planning can help your groups develop a clear direction and respond to change, enabling them to become more effective at meeting the needs of their users, funders and other stakeholders.

Benefits to you

- Improve your knowledge of the strategy process from clarifying mission to writing and implementing the plan.
- Increase your confidence in offering advice and support to groups.

“Great course, good introduction to strategic planning and practical solutions for working effectively with groups”

Course participant, Birmingham

“Relaxed, friendly, enjoyable and at a perfect pace. Tutor was excellent, knowledgeable and friendly!”

Course participant, Leeds

Your groups will

- clarify what they want to achieve
- make decisions about their future
- develop long term and short term plans.

Prices start from just £45!
